ABOUT US

Extra Paints, is your one-stop destination for all your painting needs!

Which kick started in the year 2019 as a private limited company.

We are a leading provider of high-quality paints and coatings, catering to both residential and commercial customers. With a commitment to excellence and a passion for colors, we strive to enhance your spaces and bring your artistic visions to life.

Our paints are made with the highest quality ingredients and are designed to last. We also offer a variety of finishes, from matte to gloss, so you can find the perfect paint for your project.

We take pride in our customer-centric approach. Our knowledgeable and friendly staff is always ready to assist you, providing personalized advice and recommendations based on your specific requirements. Whether you're a professional painter or a DIY enthusiast, we are here to help you make informed decisions and achieve outstanding results.

Thank you for choosing Extra Paints as your trusted partner in painting solutions.

We look forward to helping you transform your spaces into works of art.

Explore our collection, unleash your creativity, and let the colors speak for themselves.

MISSION

We are committed to providing our customers with the highest quality paints and coatings. We strive to be a leader in the industry by providing innovative products that meet or exceed customer expectations. Our goal is to provide you with a paint that will last for years, not just months. We want you to love your new paint job as much as we do! We are dedicated to providing you with the highest quality paints that transform your spaces into extraordinary works of art. We want to help you create a space that is uniquely yours. Our paints are designed to last and will not fade or peel over time. You can trust us to provide you with the best products on the market today.

VISION

To be the best manufacturer in East and Central Africa region which are carefully formulated to meet the standards of our customers expectations and ensure full customer loyalty through continuous advancement in our products and processing lines

OUR PRODUCTS

WEATHER GUARD

this is a premium quality 100 % acrylic latex exterior paints designed for use on most exterior surfaces. Its washable, water repellent, fully breathable, outstanding protection from extreme weather condition antifungus, anti mould and provide excellent opacity

SUPER GLOSS

It is made from synthetic alkyd and pigments with light fast properties. The resin imparts high gloss with good durability for interior and exterior applications. The paint can be applied on walls, wood or metal surfaces after necessary surface preparations. The paint is available in a wide color range selection.

MATT EMULSION

It is made from acrylic emulsion resin, light fast pigments and inert extenders. It produces a smooth matt finish on both exterior and interior wall application. Its capacity ensures maximum utilization of the tint and hide on all minor surface imperfections. For major imperfections and elaborate surface treatment will be necessary. For the best results two coats will be necessary on porous surface up to three coats may be required depending on porosity spreading rate 14-16m/litre on smooth surfaces.
